Subject: Seed Purchase Request

CIMMYT Ethiopia is implementing a project called “**Climate Adaptation and Rural Development (CARD)**” in collaboration with different stakeholders. The project focusses on enhancing farmers awareness on climate adaptation by conducting various crop related agricultural research activities on farmers’ fields and training centers (FTCs). We hereby request purchase of 50 kg lentil seed (Derash variety) from **Debra Zeit Agricultural Research Center** for on-farm demonstration and seed production activities.

Sincerely,

Motijaleta
